- A discussion followed, as the Clerk received an email from a resident, who objects to the proposed pedestrian crossing at 52 St Botolphs Road and the relocation of the bus stop to the lay-by outside No. 51. They raise concerns about loss of parking for the Post Office, increased congestion, unsafe or obstructive parking, and reduced visibility when exiting their driveway. They question the need for the crossing given an existing one nearby and feel it will not be well used. They ask whether the Parish Council was aware of the proposal and the reasons for it. Consultation responses are due by 20 December 2025; the resident will attend the Full Council Meeting 9 December to discuss further.

BSPC has not yet received formal notification of this proposal.
